Alfonso Tarallo

Innovate responsibly. Innovate for humans.

A curious lifelong learner, a Developer and a Business student. Passionate about UX and Research.

Education

iOS and macOS Developer

2024-25

Apple Developer Academy @UNINA Federico II

Second year program at the Apple Developer Academy, based on real work experience.

I was part of the development team of two live products used everyday by students: frontend, backend and administrative software for the badging system and a self assessment tool.

Learner

2023-24

Apple Developer Academy @UNINA Federico II

Challenge Based Learning and App Development.

I worked on many different projects discovering the different phases of research, UX/UI design, development and distribution.

Habeetat School

2023

weBeetle, Angri (SA)

Full-stack development of websites and a web app.
First approach with coding and SCRUM.

Business University

2020-25

University "Parthenope" of Naples, Italy

Business and Management for International Enterprises.
Inclined towards R&D and Responsible Innovation.

Volunteering

Pier Angel

2024-25

Apple Foundation Program @UNINA Federico II

Supporting teams in app development and presentation skills.
Mentoring, facilitation, empowering autonomous learning.

Alumni Board member

2024-now

Apple Developer Academy @UNINA Federico II

Supporting the Alumni Program in community engagement.
Networking, coordination and event management.

Educator for teenagers

2019-now

Sant'Antonio Abate (NA)

Coaching for youth members in my local community.
Empathy, team building and conflict management.

After-school tutor

2016-17

Castellammare di Stabia (NA)

Tutoring young people in tough life conditions.
Emotional intelligence, fostering mutual respect.
